Re: Allied Paper, Inc./Portage Creek/Kalamazoo River Superfund Site
Monthly Reporting Requirement pursuant to the Administrative Settlement
Agreement and Order On Consent for Plainwell Dam 2 Time-Critical Removal
Action, (Docket No. V-W-09-C-925)

Dear Mr. Garbaciak:

I am following up on our previous telephone conversation regarding the monthly reporting requirements for the Plainwell Dam 2 Time Critical Removal Action. Currently, paragraph 19(a) of the Administrative Settlement Agreement and Order On Consent for Removal Action, Docket No. V-W-09-C-925, ("AOC") requires Georgia Pacific, LLC to submit a written progress report to Environmental Protection Agency on the 15th of every month, unless otherwise directed in writing by the On-Scene Coordinator. Today, I am modifying this reporting requirement to require a final monthly progress report to be submitted on December 15th, 2010. No further monthly reports will be required. Any outstanding copies of analytical data from the Plainwell Dam 2 activities not submitted in the December 15th monthly progress report shall be included in the Final Report summarizing the actions taken to comply with the Settlement Agreement pursuant to paragraph 20 of the AOC.

If you have any questions or concerns please do not hesitate to contact me at (312) 353-8360.

Sincerely,

Sam Borries
On-Scene Coordinator
